NOTES CONNECTED WITH G.O. No. 284 I., DATED 7TH JUNE 1915

[SUBJECT.—*Grant of an honorarium to Mr. N. D. Daru of the Presidency College, Madras, for his inspection of the dam sites proposed for the Cardamom Hills Project.*]

It is desirable now to take up the case of honorarium to be paid to Mr. Daru for his report on Cardamom Hills dam site.

Before making any recommendation I would wish to see any file or orders passed as regards similar services rendered by Mr. Murray Stuart, the predecessor of Mr. Daru.

W. M. ELLIS—22-4-15.

Mr. Murray Stuart does not appear to have been deputed for the inspection of the dam sites of any of the irrigation projects in this Presidency.

2. Mr. Bruce-Foote, late of the Geological Department, was deputed to inspect the dam sites of the marginally-noted projects and was paid a fee of Rs. 4,000 and travelling allowance of Rs. 543.

Tungabhadra, Kistna, Cauvery and Bhavani projects.
G.O. 413 I., 14th April 1904.

3. In connection with the inspection of the sites proposed for the dam of the Kistna reservoir project, Dr. Smeeth, the Mysore State Geologist, was deputed for the work and was paid a fee of Rs. 3,000 and travelling allowance of Rs. 470-12-0.

G.O. 353 I., 3rd October 1908.

4. Mr. Middlemiss, an officer of the Geological Survey of India, was deputed to inspect and submit a report on the geology of the Tungabhadra dam site. It does not appear that any honorarium was paid to him.

G.O. 676 I., 20th June 1904.

M.S.—27-4-15.
A.V.S.—27-4-15.

Mr. Murray Stuart did certain work in connection with inspection of water supply schemes for which special fees were paid him.

2. The fees paid (G.O. No. 1347 M., dated 19th August 1911) was Rs. 500 for inspecting nine towns to report on the deep-seated sources of water-supply. Mr. Daru was absent from Madras on the inspection of the Cardamon Hills for seven days.

I think a suitable fee for the work would be between Rs. 200 and Rs. 300 and Rs. 250 is suggested for sanction in addition to travelling allowance at ordinary rates.

In arranging matters with Mr. Daru prior to his inspection this officer expressed his willingness to leave this matter altogether to the decision of Government.

Under rule XXXVIII of the Correspondence rules the proposal to pay Mr. N. D. Daru, Professor of Geology, Presidency College, an honorarium of Rs. 250 together with travelling allowance in connection with his deputation to report on the proposed site of the Cardamom Hills project should have come through the Accountant-General.

Vide paper III in G.O. 166 I., 26th March 1915.

The Accountant-General may now be requested u.o. to report on the proposal.

There is no audit objection to the proposed grant of an honorarium of Rs. 250 being sanctioned by Government to Mr. N. D. Daru, for his services in connection with the inspection and report on the proposed site for dam of the Cardamom Hills project. Travelling allowance has already been paid on the authority of G.O. No. 166 I., dated 26th March 1915.

L.E.K.—28-5-15.

I presume that Mr. Daru's report has been received and considered. On that understanding we may accept. It would be contrary to practice, I think, to sanction an honorarium beforehand.
